SATURDAY MARCH 10TH NESTING BOX WORKSHOP

MAKING A BAT BOX

Come join us for a hands-on workshop on how to construct a bat box at the Leschenault Community Nursery, all materials including a bat stencil and sausage sizzle too. BYO cordless drill or No.2 Phillips Screwdriver. Installing a nesting box has many benefits to both animals and humans, did you know a micro-bat can eat its own body weight in mosquitoes (approximately 1000 per night). Tickets available at LCN. Tickets cost \$50.00 and are limited so be quick to avoid disappointment.
